Dear Students,

the account numbers for your tuition fee (and the tuition fee itself) are not the same for all the students. It depends on the year you were admitted to our school and whether you interrupted your studies with us.

Accordingly there are two different account numbers valid for the English language classes:

VET English program, started studies **earlier** than September 2003  
HU59-1030-0002-5011-6381-4105-4014 (for **USD**)

VET English program, started studies **in or later** than September 2003  
HU08-1030-0002-5011-2152-4104-4886 (for **EUR**)

International Studies VET

The transfer should include the **name of the student** and a remark „**Vet.Med.**“!

Please note that the **net amounts** have to arrive at our account – the commission charges have to be paid by the student.

At the beginning of **each** term the student **has to register at the Secretariat** of International Study Programs documenting the fulfillment of all requirements necessary to enter the relevant semester. *On late registration* - but latest by early October and early March - a surcharge will be levied (*EUR 100/week*). Indicated deadlines are NOT for payments, but for the registration itself.

**Without** being registered you are **not entitled to attend** classes and/or practicals!

Should you have forgotten your tuition fee ...

Please note: the fees listed below are valid for those regular students having had no interruption in their studies with us! Should you have had an inactive year, a semester abroad and be uncertain about the fee you are expected to pay please contact us at [student@univet.hu](mailto:student@univet.hu)!
