Dear Inactive Students,

if you are about to enter the third curricular year please keep followings in mind.

Many inactive students are hoping for a re-activation in February. The number of places, however, is limited. If there will be more applicants than places we need to select among applicants according to progress criteria. In such case we shall consider the number of re-takes and the grades achieved.

Sincerely,

Mr B. Gerics
DVM, Ph.D.
assoc. prof.
