

Dear veterinary students!

In our University every spring there is a traditional event, called **EQUUS DAYS**. This year it will take part from the **29th of March till the 2nd of April**.

During these 5 days several interesting and funny programs are organized **for and by** US veterinary students of every nation, and of course for our teachers too. We think that it is a good opportunity to know each-other better, meet our teachers and have lots of fun together.

The program includes **SPORT** matches, when the student's and teacher's teams match ones strenght against each-other in basketball, football, volleyball and in waterpolo.

There is a day called **INTERNATIONAL DAY**, which is made to meet all those, who are from different nations. Come and show to the others, what your country is like, what are the special food, drink and music there! You can even wear the traditional costume of your country. To make this event really special, we need as many nations to be represented as possible! Find your compatriots make groups and take part on it! We all are curious!

On Saturday there is a big **CARNEVAL**, we walk from the University to the dormitory. We can make a spectacular march if you come too! Wear a costume, make banners, come by foot, bike, roller or anything you want to! If you have a car, you can even decorate that, and come by car. There will be music, animals (horses, dogs..), and hopefully a coach that carries the Dean and the Rector of our University. So it seems to be good fun if we are many people!

After arriving to the dormitory we get lunch there, and the program continues with a dog dancing show.

In the afternoon begins the **BOS MAJOR** election. This means, that classes choose one of them who could be the biggest 'fool' of the year. You have to make a funny program for him/she, and the jury of teachers decide whose nominee was crazy enough to deserve the title: Bos Major, and the traditional hat with 4 horns on it. He or she will own this hat till next year's election when he/she has to give it to the next Bos Major. 3 years ago the team of foreign studets won, so we all have the same chance in this crazy competition. Your program can be a funny play, a parody, or you can sing, dance or anything you can imagine.

There will be many **PARTIES** of course during the Equus Days. In the Equus Club and in the dormitory, with live music, karaoke, and several DJs.

The detailed program will be displayed next to the buffet, where you can read about all those events, that we couldn't mention in this e-mail. The date, exact time and scene of every program will also be there.

We hope we managed to make you interested, and you'll come, and be part of the Equus Days!

Till that take care,

The organizers
